## DEDICATION

For 16 years students have come and gone - wiser for having known you.  
You shared your wisdom, yet its supply never seemed diminished.  
We saw you as a rich person, - rich in the knowledge of God  
- rich in the experience of life  
abounding in love and possessing a surprising sense of humor.

Those times of laughter when we felt joy springing from the unexpected in you and witnessed the unique youthfulness and freedom you expressed, will always be remembered.

Many times we were awed by your knowledge and understanding of those things which eluded the desperate grasping of our feeble minds.

The unflinching expression of your convictions was a worthy example to each of us.

To your wife goes a big thank you for she shared you with us.  
Her contribution in the kitchen was deeply appreciated  
both by the cooks and the students as they benefited from her helpful, friendly manner.

Therefore, as a very small way of expressing our thanks,  
we humbly and gratefully dedicate this 1972 GOSPEL STAR to you -

ELAM AND BARBARA PEACHEY

## *ADMINISTRATION*

## PRINCIPAL'S MESSAGE

Today's need for "in depth", concentrated, Holy Spirit activated Bible Study is unprecedented. No one is prepared for life and service in the '70's without being well fortified with the verities of God's Word. Any one anticipating Higher Education should first become well grounded in Faith. For this purpose RBI exists.

# *ADVERTISEMENTS*

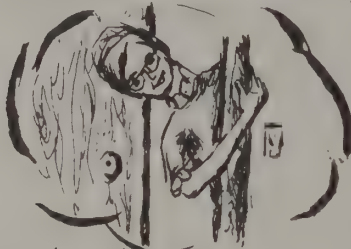

This dorm is our dorm  
This dorm is God's dorm  
He lives among us  
As we're His children  
His love surrounds us  
Like these walls around us  
This dorm was made for you and me.

I've roamed and rambled  
Through all these hallways  
And followed my nose to  
A popcorn party  
It was so cozy  
All warm and rosy  
This dorm was made for you and me.

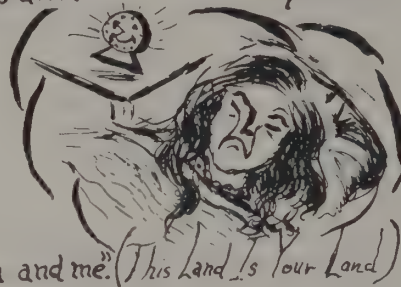

As we go walking  
You can hear us talking  
Of Koininea  
And our happy family  
In joy we realize  
Where all things come from  
This dorm was made for you and me.

Compliments of Girls Dorm

As the sun was shining  
And alarms were ringing  
In the cold, cold shower  
Someone was singing  
As laughter sounded  
I awoke and shouted,
